PROFILE

Graphic designer focused on social media posts, advertising creatives, and brand-oriented visual content. Creates product-led promotional designs across food and beverage, fashion, and medical apparel, using typography, composition, and visual hierarchy to communicate clear messages.

CORE COMPETENCIES

Social Media Design · Digital Advertising · Promotional Graphics · Branding

Visual Content · Product Layouts · Typography · Arabic Ad Creatives

SELECTED PORTFOLIO PROJECTS

ZEV / Medical Apparel Campaign

- Designed a four-visual social media series for medical scrub products in multiple color variations.
- Combined Arabic product messaging, feature icons, and apparel details into a cohesive campaign completed in three days.

Almarai-Branded Concepts / Food & Beverage

- Created product-focused promotional concepts for yogurt and juice, pairing packaging with fruit imagery and Arabic advertising copy.
- Used scale, composition, and offer placement to establish a strong product focal point.

Town Team / Fashion Collection Promotion

- Created a summer-themed apparel advertisement using lifestyle imagery, collection messaging, and a product-led visual hierarchy.

Food Promotions / Dessert & Restaurant Graphics

- Designed red velvet cake and spicy noodles promotional posts, emphasizing food photography and discount offers.
